

UNDERGRADUATE PROGRAMS AT A GLANCE

www.ur.ac.rw Uni_Rwanda Uni_Rwanda
 UniversityofRwanda University of Rwanda

INTRODUCTION

The University of Rwanda (UR) is a public Higher Learning Institution established by the law nº 71/2013 of 10/09/2013. It resulted from the merger of the former seven public Higher Learning Institutions (HLIs) into single public University with six Colleges and nine campuses distributed across the country. The UR is a singular, multicampus institution offering a wide range of academic studies. As such, it provides opportunities for students to pursue a variety of programs some that are guite specialized in nature, others that are multidisciplinary and problem-based in focus - and to undertake their studies at different locations across the country, both through classes at designated campuses and through access to distance learning.

College of Arts and Social Sciences (CASS)

The College of Arts and Social Sciences offers Diploma programs, Bachelor's degree programs, Masters Programs, Course works as well as PhD programs by research that can be offered in some disciplines available in the College.

School of Arts and Languages Programs/exit award

Bachelor of Arts with Honors in Linguistics and Literature

(Location: Huye) Duration: 3 years Bachelor of Arts with Honors in Translation and Interpreting

(Location: Huye) Duration: 3 years Bachelor of Arts with Honors in Linguistics and Literature

(Location: Musanze/Huye) Duration: 4 years Bachelor of Arts with Honors in Arts and Publishing

(Location: Huye) Duration: 3 years Bachelor of Arts with Honors in Arts and Creative Industry

(Location: Huye) Duration: 3 years

Entry requirements

At least two principal passes with at least eighteen (18) points in two of the following subjects: Literature, English, French, Kinyarwanda, Kiswahili, Entrepreneurship and Drama. TVET candidates must have three principal passes with at least 30 aggregate points in Secretarial studies.

School of Governance

Programs/exit award

Bachelor of Arts in History and Heritage Studies (Location: Huye) Duration: 3 years **Bachelor of Arts in Professional Police Studies** (Location: Musanze Duration: 3 years **Bachelor of Social Sciences with Honors in Social and Military Sciences** (Location: Gako) Duration: 3 years **Bachelor of Social Science with Honors in** Sociology (Location: Huye) Duration: 3 years Bachelor of Social Science with Honors in Social Work (Location: Huye) Duration: 3 years **Bachelor of Social Science with Honors in Political Science** (Location: Huye) Duration: 3 years

Bachelor of Social Science with Honors in International Relations

Location: Huye) Duration: 3 years Bachelor of Social Science with Honors in

Development studies

(Location: Huye) Duration: 3 years

Bachelor of Social Science with Honors in Governance Studies (Options: Governance & Leadership and Public Admin & Local Govt studies) (Location: Huye) Duration: 3 years

Entry requirements

At least two principal passes with at least eighteen (18) points in the Advanced-Level exams in any combination OR holding an equivalent qualification recognized by the Senate of the University of Rwanda.

School of Journalism and Communication Programs/exit award

Bachelor of Arts with Honours in Journalism and Communication (Location: Huye) Duration: 3 years

Entry requirements

At least two (2) principal passes with at least eighteen (18) points in specified courses relevant to the programmes applied for, and meet the minimum entry requirements with respect to the following subjects: Languages, Literature, History and Entrepreneurship **Bachelor of Creative Design with honours** (Location: Huye) Duration: 4 years

Entry requirements

Candidates with a certificate of at least fifty five (55) from all science subject combinations are encouraged to apply. Candidates from Technical Vocational Education and Training (TVET) with a certificate of at least forty-eight (48) are encouraged to apply. Computer literacy and a good sense of creativity are added advantages.

School of Law

Programs/exit award

Bachelor of Law with honours

(Location: Huye and Musanze) Duration: 4 years

Entry requirements

At least two (2) Principal passes with at least eighteen (18) points in two of the subjects relevant to Law: History, Literature, Economics, Entrepreneurship, Languages and Secretarial studies.

College of Agriculture, Animal Science and Veterinary Medicine (CAVM)

CAVM aims to contribute to the ongoing poverty reduction, economic development and food security programs in the Country through increased agricultural production as a result of agricultural training, research and transfer of technology.

School of Agriculture and Food Sciences Programs/exit award

Bachelor of Science with Honours in Crop production

(Location: Busogo) Duration: 4 years Bachelor of Science with Honours in Horticulture

(Location: Busogo) Duration: 4 years Bachelor of Science with Honours in Soil Sciences

(Location: Busogo) Duration: 4 years

Entry requirements

To be admitted, prospective candidates must have two (2) Principal passes with at least twenty one (21) points in two of the following subjects:

- Mathematics, Chemistry and Biology,
- Physics, Chemistry and Biology, or
- Biology, Chemistry and Geography

Note. Students who studied Crop production in TVET schools, prospective candidates must have two (2) Principal passes with Aggregate of at least forty (40) points.

Bachelor of Science with Honours in Rural Development

(Location: Busogo) Duration: 4 years Bachelor of Science with Honours in Agricultural Economics (Location: Busogo) Duration: 4 years Bachelor of Science with Honours in Agribusiness (Location: Busogo) Duration: 4 years

Entry requirements

To be admitted, prospective candidates must have two (2) Principal passes with at least twenty-one (21) points in two of the following subjects:

- Mathematics, Economics and Geography,
- Physics, Economics and Mathematics, or
- Computer Science, Economics and Mathematics

Bachelor of Science with Honours in Food Science and Technology

(Location: Busogo) Duration: 4 years

Entry requirements

To be admitted, prospective Candidates must have two (2) Principal passes with at least twenty-one (21) points in two of the following subjects:

- Mathematics, Chemistry and Biology,
- Physics, Chemistry and Biology, or
- Biology, Chemistry and Geography

School of Forestry and Biodiversity Conservation

Programs/exit award

Bachelor of Science with Honours in Forestry (Location: Huye) Duration: 4 years Bachelor of Science with Honours in Agroforestry

(Location:Huye) Duration: 4 years

Entry requirements

To be admitted, prospective Candidates must have two (2) Principal passes with at least twenty-one (21) points in two of the following subjects:

• Mathematics, Chemistry and Biology,

- Physics, Chemistry and Biology, or
- Biology, Chemistry and Geography

Note. For candidates who studied Forestry in TVET schools, prospective candidates must have two (2) Principal passes with Aggregate of at least forty (40) points

School of Agricultural Engineering Programs/exit award

Bachelor of Science with Honours in Agricultural Mechanization (Location: Nyagatare) Duration: 4 years Bachelor of Science with Honours in: Irrigation and Drainage

(Location: Nyagatare) Duration: 4 years

Entry requirements

To be admitted, prospective candidates must have two (2) Principal passes with at least twenty-one (21) points in two of the following subjects:

- Physics, Chemistry and Mathematics
- Mathematics, Physics and Geography
- Mathematics, Physics and Computer Science
- Physics, Economics and Mathematics

- Physics, Chemistry and Biology
- Mathematics, Chemistry and Biology

School of Veterinary Medicine

Programs/exit award

• Bachelor of Science with Honours in Animal Production

(Location: Nyagatare) Duration: 4 years)

 Bachelor of Veterinary Medicine (Location: Nyagatare) Duration: 5 years)

Entry requirements

To be admitted, prospective candidates must have two (2) Principal passes with at least twenty-one (21) points in two of the following subjects: Mathematics, Chemistry and Biology, Physics, Chemistry and Biology, or Biology, Chemistry and Geography

Note. For candidates who studied Animal Production in TVET schools, prospective candidates must have two (2) Principal passes with Aggregate of at least forty (40) points

College of Business and Economics (CBE)

As a specialized institution in Business and Economics, CBE substantially contributes to the establishment of a critical mass of professionals that will steer the country and develop its own highly skilled entrepreneurs who will establish businesses that will thrive in Rwanda and grow beyond the country.

School of Economics

Programs/exit award

 Bachelor of Science with Honours in Economics with Specialization in Monetary Economics

(Location: Huye/Day and Gikondo/Day and Evening) Duration: 3years)

 Bachelor of Science with Honours in Economics with Specialization in International Economics

(Location: Huye/Day and Gikondo/Day and Evening) Duration: 3years)

 Bachelor of Science with Honours in Economics with Specialization in Development Economics

(Location: Huye/Day and Gikondo/Day and Evening) Duration: 3years)

• Bachelor of Science with Honours in Applied Statistics with Specialization in Actuarial Sciences

(Location: Huye/Day) Duration: 3years)

• Bachelor of Science with Honours in Applied Statistics with Specialization in Demography (Location: Huye/Day) Duration: 3years) • Bachelor of Science with Honours in Applied Statistics with Specialization in Economic Statistics

(Location: Huye/Day) Duration: 3years)

Entry requirements

A holder of two principal passes with at least 18 points in:

- Mathematics Physics- Geography (MPG)
- Physics Chemistry-Mathematics (PCM)
- Physics-Chemistry-Biology (PCB)
- Mathematics Economics-Geography (MEG)
- Mathematics-Computer Science -Economics (MCE)
- Mathematics-Physics-Computer Science (MPC)
- Mathematics- Chemistry- Biology (MCB)

School of Business

Programs/exit award

Bachelor of Business Administration (BBA) with Honours with specialization in Finance

(Location: Huye/Day; Gikondo/Day and Evening; Rusizi/Day and Evening; Nyagatare/Day) Duration: 3years)

- Bachelor of Business Administration with Honours, with specialization in Banking (Location: Gikondo/Day and Evening; Duration: 3years)
- Bachelor of Business Administration with Honours, with specialization in Insurance (Location: Gikondo/Day and Evening; Duration: 3years)
- Bachelor of Business Administration with Honours, with specialization in Marketing (Location: Gikondo/Day and Evening; Duration: 3years)
- Bachelor of Business Administration with Honours, with specialization in Human Resources Management

(Location: Gikondo/Day and Evening; Duration: 3years)

- Bachelor of Science in Accounting (Location: Huye/Day; Gikondo/Day and Evening; Rusizi/Day and Evening; Nyagatare/ Day) Duration: 3years)
- Bachelor of Science with honours in Business Information Technology (Location: Huye/Day; Gikondo/Day and

Evening; Duration: 3years)

- Bachelor of Science in Transport Management
 (Location: Gikondo/Day and Evening; Duration: 3years)
- Bachelor of Science in Procurement, Logistics and Supply Chain Management (Location: Gikondo/Day and Evening; Duration: 3years)

Entry requirements

A holder of two Principal Passes with at least 18 points in:

- Mathematics Physics- Geography (MPG)
- Physics Chemistry-Mathematics (PCM)
- Biology Chemistry- Geography (BCG)
- Physics-Chemistry-Biology (PCB)
- Mathematics Economics-Geography (MEG)
- Mathematics-Computer Science -Economics (MCE)
- Mathematics-Physics-Computer Science (MPC)
- Mathematics- Chemistry- Biology (MCB)
- History Economics- Geography (HEG)

- History Economics-Literature in English (HEL)
- Literature in English Economics-Geography (LEG)
 TVET candidates must have at least 30 points with a specialisation in Accounting

College of Medicine and Health Sciences

CMHS is the champion of health education in the Country and carries out training of national and regional health professionals in support of national and regional health plans while conducting applied research to facilitate the efficiency and impact of health sector interventions.

School of Nursing and Midwifery

Programs/exit award

Bachelor of Science with Honours in Nursing (General Nursing)

(Location: Rwamagana) Duration: 4 years for A2 applicants and 2 years for A1 applicants)

Entry requirements

To be admitted, prospective candidates must have done either of the following subjects' combinations.

- Physics-Chemistry-Biology
- Mathematics-Chemistry-Biology
- Biology-Chemistry-Geography
- Obtain 2 Principal passes with a minimum of C in Biology and in Chemistry or
- A2 Nursing with at least 65% and at least 2 years of work experience (A selection interview may be necessary).

Applicants who meet the admission criteria but are not successful in selection interviews may be re-allocated to other programmes.

Or

- Possess an Advanced Diploma (A1) in General Nursing
- A selection interview may be necessary.

Advanced diploma in Nursing (General Nursing)

(Location: Huye; Duration: 3 years) Advanced Diploma in Midwifery (Location: Huye; Duration: 3 years)

Entry requirements

To be admitted, prospective candidates must have done either of the following subjects' combinations:

- Physics-Chemistry-Biology
- Mathematics-Chemistry-Biology
- Biology-Chemistry-Geography

and

• Obtain 2 Principal passes with a minimum of C in Biology and in Chemistry

or

• A2 Nursing with at least 65% and at least 2 years of work experience (A selection interview may be necessary).

Applicants who meet the admission criteria but are not successful in selection interviews may be re-allocated to other programmes.

Bachelor of Science with Honours in Nursing (Midwifery)

(Location: Remera; Duration: 2 years)

Entry requirements

To be admitted, prospective candidates must meet the following requirements:

- Possess an Advanced Diploma (A1) in Midwifery
- A selection interview may be necessary.

Advanced Diploma in Mental Health Nursing

(Location: Huye and Remera; Duration: 3 years)

Entry requirements

To be admitted, prospective candidates must have done either of the following subjects combinations:

- Physics-Chemistry-Biology
- Mathematics-Chemistry-Biology
- Biology-Chemistry-Geography
 And
- obtain 2 Principal passes with a minimum of C in Biology and in Chemistry

Or

- A2 Nursing with at least 65% and at least 2 years of work experience.
- A selection interview may be necessary.

• Applicants who meet the admission criteria but are not successful in selection interviews may be re-allocated to other programmes.

School of Dentistry

Programs/exit award

Bachelor of Science with Honours in Dental Therapy

(Location: Huye and Remera; Duration: 4 years)

Entry requirements

To be admitted, prospective candidates must have done either of the following subjects combinations:

- Physics-Chemistry-Biology
- Mathematics-Chemistry-Biology
- Biology-Chemistry-Geography
 AND

Obtain 2 Principal passes with a minimum of C in Biology and in Chemistry

Bachelor of Dental Surgery

(Location: Huye and Remera; Duration: 5 years)

Entry requirements

To be admitted, prospective candidates must have done either of the following subjects combinations:

- Physics-Chemistry-Biology
- Mathematics-Chemistry-Biology
- Biology-Chemistry-Geography
 And
- obtain 2 Principal passes with a minimum of C in Biology and in Chemistry
- A selection interview may be necessary. Applicants who meet the admission criteria but are not successful in selection interviews may be re-allocated to other programmes.

School of Medicine & Pharmacy

Programs/exit award

Bachelor of Medicine and Surgery

(Location: Huye and Remera; Duration: 5 years)

Entry requirements

To be admitted, prospective candidates must have an advanced general certificate of secondary education with either of the following subjects' combinations:

- Physics-Chemistry-Biology
- Mathematics-Chemistry-Biology
- Biology-Chemistry-Geography
 And
- Obtain at least two principal passes of not less than C in Biology (core), and Chemistry (core)
- A selection interview may be necessary.
- A high level of English language proficiency will be an added advantage.

Applicants who meet the admission criteria but are not successful in selection interviews may be re-allocated to other programmes.

Bachelor of Science with Honours in Pharmacy (Location: Huye; Duration: 4 years)

Entry requirements

To be admitted, prospective candidates must have an advanced general certificate of secondary education with either of the following subjects' combinations:

- Physics-Chemistry-Biology
- Mathematics-Chemistry-Biology
- Biology-Chemistry-Geography

And

Obtain at least two principal passes of not less than C in Biology (core), and Chemistry (core)

Bachelor of Science with Honours in Clinical Psychology

(Location: Huye; Duration: 4 years)

Entry requirements

To be admitted, prospective candidates must have an advanced general certificate of secondary education with either of the following subjects combinations:

- Physics-Chemistry-Biology
- Mathematics-Chemistry-Biology
- Biology-Chemistry-Geography
 And

Obtain at least two principal passes of not less than C in Biology (core), and Chemistry (core)

School of Health Sciences

Programs/exit award

Bachelor of Science with Honours in Anaesthesia

(Location: Huye; Duration: 4 years) Bachelor of Science with Honours in Clinical Medicine and Community Health (Location: Huye and Remera; Duration: 4 years)

Entry requirements

To be admitted, prospective candidates must have done either of the following subjects combinations:

- Physics-Chemistry-Biology
- Mathematics-Chemistry-Biology
- Biology-Chemistry-Geography
 And

Obtain 2 Principal passes with a minimum of C in Biology and in Chemistry

Bachelor of Science with Honours in Medical Imaging Sciences (Location: Huye and Remera; Duration: 4 years)

Location. Huye and Remera, Duration. 4 ye

Entry requirements

To be admitted, prospective candidates must have done either of the following subjects combinations:

- Physics-Chemistry-Biology
 And
- Obtain 2 Principal passes with a minimum of C in Biology and in Chemistry

Or

Advanced Diploma in Medical Imaging Sciences

Bachelor of Science with Honours in Biomedical Laboratory Sciences

(Location: Huye and Remera; Duration: 4 years) Advanced Diploma in Ophthalmology

(Location: Huye and Remera; Duration: 3 years) Bachelor of Science with Honours in

Occupational Therapy

(Location: Huye and Remera; Duration: 4 years) Bachelor of Science with Honours in Physiotherapy

(Location: Huye and Remera; Duration: 4 years) Advanced Diploma in Orthopaedic Technology (Location: Huye and Remera; Duration: 3 years)

Entry requirements

To be admitted, prospective candidates must have done either of the following subjects combinations:

- Physics-Chemistry-Biology
- Mathematics-Chemistry-Biology
- Biology-Chemistry-Geography
 And

Obtain 2 Principal passes with a minimum of C in Biology and in Chemistry

School of Public Health

Bachelor of Science with Honours in Environmental Health Sciences

(Location: Huy and Remera e; Duration: 4 years) Bachelor of Science with Honours in Human Nutrition & Dietetics

(Location: Huye and Remera; Duration: 4 years)

Entry requirements

To be admitted, prospective candidates must have done either of the following subjects combinations:

- Physics-Chemistry-Biology
- Mathematics-Chemistry-Biology
- Biology-Chemistry-Geography
 AND

Obtain 2 Principal passes with a minimum of C in Biology and in Chemistry.

College of Education

CE mandate is to be an apex institution in teacher education with academic assessment and certification of teachers at various levels across the country. The College is established with the intention of positively changing the landscape of human resource development especially in teaching profession.

School of Education

Programs/exit award

Bachelor of Education (Hons) (Early Childhood Education) (Primary Teacher Education) (Location: Rukara; Duration: 3 years)

Entry requirements

Candidates must have at least a credit \geq 60% in both foundations of education and foundations of early childhood education

Bachelor of Education (Hons) (Science-Mathematics Education) (Primary Teacher Education) (Location: Rukara; Duration: 3 years)

Entry requirements

Candidates must have at least a credit \geq 60% in both foundations of education and integrated sciences or mathematics

Bachelor of Education (Hons) (Social Studies Education) (Primary Teacher Education) (Location: Rukara; Duration: 3 years)

Entry requirements

Candidates must have at least a credit \geq 60% in both foundations of education and social studies

Bachelor of Education (Hons) (Biology-Chemistry) (Secondary) (Location: Rukara; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in biology and chemistry

Bachelor of Education (Hons) (Biology-Physical Education) (Secondary) (Location: Rukara; Duration: 3 years)

Entry requirements

 Candidates Must Have Two (2) Principal Passes With At Least Eighteen (18) Points In Biology And Mathematics Or Physics Or Computer Science Or Physics Or Chemistry Or Geography Or

 Candidates Must Have At Least a Credit ≥ 60% In Both Integrated Sciences And Mathematics

Bachelor of Education (Hons) (Mathematics-Biology) (Secondary)

(Location: Rukara; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in mathematics and biology

Bachelor of Education (Hons) (Mathematics-Computer Science) (Secondary)

(Location: Rukara; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in mathematics and computer science

Bachelor of Education (Hons) (Mathematics-Physics) (Secondary) (Location: Rukara; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in mathematics and physics

Bachelor of Education (Hons) (Physics-Chemistry) (Secondary)

(Location: Rukara; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in physics and chemistry

Bachelor of Education (Hons) (Physics-Geography) (Secondary) (Location: Rukara; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in physics and geography Bachelor of Education (Hons) (Mathematics-Geography) (Secondary) (Location: Rukara; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in mathematics and geography

Diploma in Education (Biology And Chemistry) (Lower Secondary Education) (Location: Rukara; Duration: 1, 5 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in biology and chemistry

Diploma in Education (Mathematics and Physics) (Lower Secondary Education) (Location: Rukara; Duration: 1, 5 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in mathematicsphysics

Diploma in Education (Mathematics And Entry requirements Chemistry) (Lower Secondary Education) Candidates must have two (2) principal passes (Location: Rukara; Duration: 1, 5 years) with at least eighteen (18) points in mathematics and biology **Entry requirements** Candidates must have two (2) principal passes **Diploma in Education (Physics And Chemistry)** with at least eighteen (18) points in mathematics (Lower Secondary Education) and chemistry (Location: Rukara; Duration: 1, 5 years) **Diploma in Education (Mathematics And Entry requirements Computer Science) (Lower Secondary** Candidates must have two (2) principal passes **Education**) with at least eighteen (18) points in physics and (Location: Rukara; Duration: 1, 5 years) chemistrv **Entry requirements Diploma in Education (Physics And Computer** Candidates must have two (2) principal passes Science) (Lower Secondary Education) with at least eighteen (18) points in mathematics (Location: Rukara; Duration: 1, 5 years)

Diploma in Education (Mathematics and Biology) (Lower Secondary Education) (Location: Rukara; Duration: 1, 5 years)

and computer science

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in physics and computer science

Bachelor of Education (Hons) (Foundations of Education-English Education) (Primary Teacher Education)

(Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have at least a credit \geq 60% in both foundations of education and English

Bachelor of Education (Hons) (Foundations of Education-French Education) (Primary Teacher Education) (Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have at least a credit \geq 60% in both foundations of education and French

Bachelor of Education (Hons) (Foundations of Education- Entrepreneurship Education) (Primary Teacher Education) (Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have at least a credit ≥ 60% in both foundations of education and entrepreneurship

Bachelor of Education (Hons) (Foundations of Education-Kinyarwanda Education) (Primary Teacher Education) (Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have at least a credit \geq 60% in both foundations of education and Kinyarwanda

Bachelor of Education (Hons) (English-Literature in English) (Secondary) (Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in English and literature in English

Bachelor of Education (Hons) (Literature in English-Economics) (Secondary)

(Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in literature in English and economics

Bachelor of Education (Hons) (Literature in English-Geography) (Secondary)

(Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in literature in English and geography.

Bachelor of Education (Hons) (Literature in English-History (Secondary)

(Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in literature in

English and history

Bachelor of Education (Hons) (French-English) (Secondary) (Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes • with at least eighteen (18) points in French and English

or

Candidates must have at least a credit $\geq 60\%$ ٠ in both French and English

Bachelor of Education (Hons) (French-Kinyarwanda) (Secondary) (Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in French and kinyarwanda

or

Candidates must have at least a credit > 60%in both French and Kinyarwanda

Bachelor of Education (Hons) (Kinyarwanda-English) (Secondary)

(Location: Nyagatare; Duration: 3 years)

Entry requirements

• Candidates must have two (2) principal passes with at least eighteen (18) points in Kinyarwanda and English

or

• Candidates must have at least a credit ≥ 60% in both Kinyarwanda and English

Bachelor of Education (Hons) (English-Kiswahili) (Secondary)

(Location: Nyagatare; Duration: 3 years)

Entry requirements

• Candidates must have two (2) principal passes with at least eighteen (18) points in English and Kiswahili

or

• Candidates must have at least a credit ≥ 60% in both English and Kiswahili

Bachelor of Education (Hons) (Performing Arts-English) (Secondary)

(Location: Nyagatare; Duration: 3 years)

Entry requirements

- Candidates must have two (2) principal passes with at least eighteen (18) points in English and French or Kinyarwanda or Kiswahili or literature in English or
- geography or economics or history or entrepreneurship or religious studies.

or

• Candidates must have at least a credit ≥ 60% in both English and French or Kinyarwanda or Kiswahili or social studies.

Bachelor of Education (Hons) (Performing Arts-French) (Secondary) (Location: Nyagatare; Duration: 3 years)

Entry requirements

 Candidates must have two (2) principal passes with at least eighteen (18) points in French and English or Kinyarwanda or Kiswahili or literature in English or

geography or economics or history o entrepreneurship or religious studies

or

 Candidates must have at least a credit ≥ 60% in both French and English or Kinyarwanda or Kiswahili or social studies

Bachelor of Education (Hons) (Performing Arts-Kinyarwanda) (Secondary)

(Location: Nyagatare; Duration: 3 years)

Entry requirements

 Candidates must have two (2) principal passes with at least eighteen (18) points in Kinyarwanda and English or French or Kiswahili or literature in English or Geography or economics or history or entrepreneurship or religious studies

or

 Candidates must have at least a credit ≥ 60% in both Kinyarwanda and English or French or Kiswahili or social studies

or **Bachelor of Education (Hons) (Geography-Economics) (Secondary)** (Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in geography and economics

Bachelor of Education (Hons) (Geography-History) (Secondary)

(Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in geography and history

Bachelor of Education (Hons) (Economics-History) (Secondary)

(Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in economics

and history

Bachelor of Education (Hons) (History-Religious Studies) (Secondary)

(Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in history and religious education

Bachelor of Education (Hons) (Entrepreneurship-Economics) (Secondary) (Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in entrepreneurship and economics

Diploma in Education (French and English) (Lower Secondary Education)

(Location: Nyagatare; Duration: 1, 5 years)

Entry requirements

• Candidates must have two (2) principal passes with at least eighteen (18) points in French and English

or

• Candidates must have at least a credit ≥ 60% in both french and english

Diploma in Education (Kinyarwanda And English) (Lower Secondary Education)

(Location: Nyagatare; Duration: 1, 5 years)

Entry requirements

• Candidates must have two (2) principal passes with at least eighteen (18) points in Kinyarwanda and English

or

• Candidates must have at least a credit ≥ 60% in both Kinyarwanda and English

Diploma in Education (English and Kiswahili) (Lower Secondary Education) (Location: Nyagatare; Duration: 1, 5 years)

Entry requirements

• Candidates must have two (2) principal passes with at least eighteen (18) points in English and Kiswahili

or

• Candidates must have at least a credit ≥ 60% in both English and Kiswahili

Diploma in Education (French and Kinyarwanda) (Lower Secondary Education)

(Location: Nyagatare; Duration: 1, 5 years)

Entry requirements

• Candidates must have two (2) principal passes with at least eighteen (18) points in french and Kinyarwanda

or

• Candidates must have at least a credit ≥ 60% in both French and Kinyarwanda

Diploma in Education (Entrepreneurship and Economics) (Lower Secondary Education) (Location: Nyagatare; Duration: 1, 5 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in entrepreneurship and economics

Diploma in Education (History and Geography) (Lower Secondary Education) (Location: Nyagatare; Duration: 1, 5 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in history and geography

Diploma in Education (Performing Arts and English) (Lower Secondary Education) (Location: Nyagatare; Duration: 1, 5 years)

Entry requirements

• Candidates must have two (2) principal passes with at least eighteen (18) points in English and French or Kinyarwanda or Kiswahili or literature in English or geography or economics or history or entrepreneurship or religious studies or

• Candidates must have at least a credit ≥ 60% in both English and French or Kinyarwanda or Kiswahili

Diploma in Education (Performing Arts And French) (Lower Secondary Education)

(Location: Nyagatare; Duration: 1, 5 years)

Entry requirements

• Candidates must have two (2) principal passes with at least eighteen (18) points in french and English or Kinyarwanda or Kiswahili or literature in English

or

geography or economics or history or entrepreneurship or religious studies, or

• Candidates must have at least a credit ≥ 60% in both French and English or Kinyarwanda or Kiswahili

Diploma in Education (Performing Arts and Kinyarwanda) (Lower Secondary Education) (Location: Nyagatare; Duration: 1, 5 years)

Entry requirements

• Candidates must have two (2) principal passes with at least eighteen (18) points in Kinyarwanda and English or French or Kiswahili or literature in English

or

geography or economics or history or entrepreneurship or religious studies

or

 Candidates must have at least a credit ≥ 60% in both Kinyarwanda and English or French or Kiswahili

Diploma in Education (English and Literature In English) (Lower Secondary Education)

(Location: Nyagatare; Duration: 1, 5 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in English and literature in English

Diploma in Education (Literature in English and Economics) (Lower Secondary Education) (Location: Nyagatare; Duration: 1, 5 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in literature in English and economics

Diploma in Education (Literature in English and History) (Lower Secondary Education) (Location: Nyagatare; Duration: 1, 5 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in literature in English and history

Diploma in Education (Literature in English and Geography) (Lower Secondary Education) (Location: Nyagatare; Duration: 1, 5 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in literature in

English and geography

Diploma in Education (History and Economics) (Lower Secondary Education) (Location: Nyagatare; Duration: 1, 5 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in history and economics

Diploma in Education (Geography and Economics) (Lower Secondary Education) (Location: Nyagatare; Duration: 1, 5 years)

Entry requirements

Candidates must have two (2) principal passes with at least eighteen (18) points in geography and economics

Diploma in Education (History and Religious Studies) (Lower Secondary Education) (Location: Nyagatare; Duration: 1, 5 years)

Entry requirements Candidates must have two (2) principal passes with at least eighteen (18) points in history and religious studies.

School of Inclusive & Special Needs Education

Programs/exit award

Bachelor of Education (Hons) (Special Needs Education-English) (Primary Teacher Education) (Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have at least a credit \geq 60% in both foundations of education and English

Bachelor of Education (Hons) (Special Needs Education-French) (Primary Teacher Education) (Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have at least a credit \ge 60% in both foundations of education and French

Bachelor of Education (Hons) (Special Needs Education-Kinyarwanda) (Primary Teacher Education)

(Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have at least a credit \geq 60% in both foundations of education and Kinyarwanda

Bachelor of Education (Hons) (Entrepreneurship-Special Needs Education) (Primary Teacher Education) (Location: Nyagatare; Duration: 3 years)

Entry requirements

Candidates must have at least a credit \geq 60% in both foundations of education and entrepreneurship

Bachelor of Education (Hons) (Special Needs Education-Mathematics) (Primary Teacher Education) (Location: Rukara; Duration: 3 years)

Entry requirements

Candidates must have at least a credit ≥ 60% in both Foundations of Education and Mathematics

Bachelor of Education (Hons) (Special Needs Education-Science) (Primary Teacher Education) (Location: Rukara; Duration: 3 years)

Entry requirements

Candidates must have at least a credit \geq 60% in both

foundations of education and integrated sciences

College of Science and Technology (CST)

CST strives to offer programmes of the highest international standards with much focus on current trends such as technological development and transfer, technical knowhow as well as information and communication technologies.

School of Architecture and Built Environment

Programs/exit award

Bachelor of Architecture (Hons)

(Location: Nyarugenge; Duration: 5 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Physics and Mathematics or Mathematics with either Economics or Geography. A demonstrated background in Fine Art or Technical Drawing is an added advantage. This can include the following subject combinations:

- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Mathematics, Physics and Geography;
- \checkmark Mathematics, Physics and Computer Science;
- \checkmark Physics, Economics and Mathematics.

The Department may set its own higher entry requirements for the program

Bachelor of Science (Hons) in Quantity Surveying

(Location: Nyarugenge; Duration: 4 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Either Physics and Mathematics or Mathematics with either Economics or Geography from the following subject combinations:

- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Mathematics, Physics and Geography;
- \checkmark Mathematics, Physics and Computer Science;
- \checkmark Physics, Economics and Mathematics

Candidates from Technical Vocational Education and Training (TVET) with a certificate of at least (50) average from the following options are welcomed: Construction and Public Works

The Department may set its own higher entry requirements for the program.

Bachelor of Science (Hons) in Estate Management and Valuation

(Location: Nyarugenge; Duration: 4 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Mathematics and Geography or Mathematics and Economics from the following subject combinations:

- \checkmark Mathematics, Physics and Geography;
- \checkmark Mathematics, Economics and Geography;
- √ Mathematics, Computer Science and Economics

The Department may set its own higher entry requirements for the program

Bachelor of Science (Hons) in Geography (Environmental Planning)

(Location: Nyarugenge; Duration: 3 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21)

points in the following subjects: Geography and any one of the following: Mathematics, Physics from the following subject combinations:

✓ Mathematics, Physics and Geography;
 ✓ Mathematics, Economics and Geography.
 The Department may set its own higher entry requirements for the program

Bachelor of Science (Hons) in Geography (Urban and Regional Planning)

(Location: Nyarugenge; Duration: 3 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Geography and any one of the following: Mathematics, Physics from the following subject combinations:

- \checkmark Mathematics, Physics and Geography;
- \checkmark Mathematics, Economics and Geography.

The Department may set its own higher entry requirements for the program

School of Engineering

Programs/exit award

Bachelor of Science (Hons) in Civil Engineering (Location: Nyarugenge; Duration: 4 years

Options:

Construction Engineering

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Physics and Mathematics from the following subject combinations:

Environmental Engineering

Entry requirements

To be admitted, the applicant must satisfy: To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Physics and Mathematics,

entry Physics (or Mathematics) and Chemistry or Biology from the following subject combinations:

- \checkmark Physics, Chemistry and Biology,
- \checkmark Mathematics, Chemistry and Biology;
- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Mathematics, Physics and Computer Science;
- \checkmark Mathematics, Physics and Geography;
- \checkmark Physics, Economics and Mathematics.
- \checkmark Diploma in Environmental Engineering

The Department may set its own higher entry requirements for the program

Geotechnical Engineering

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Physics and Mathematics from the following subject combinations:

- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Mathematics, Physics and Computer Science;
- \checkmark Mathematics, Physics and Geography;
- \checkmark Physics, Economics and Mathematics.
- \checkmark Diploma in Geotechnical Engineering

The Department may set its own higher entry Cher requirements for the program

Structural Engineering

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Physics and Mathematics from the following subject combinations:

- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Mathematics, Physics and Computer Science;
- \checkmark Mathematics, Physics and Geography;
- \checkmark Physics, Economics and Mathematics.
- √ Diploma in Structural Engineering

The Department may set its own higher entry requirements for the program

Water resources Engineering

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Physics and Mathematics, Physics (or Mathematics) and

combinations:

- \checkmark Physics, Chemistry and Biology,
- \checkmark Mathematics, Chemistry and Biology;
- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Mathematics, Physics and Computer Science;
- \checkmark Mathematics, Physics and Geography;
- \checkmark Physics, Economics and Mathematics.
- √ Diploma in Water Resources Engineering

The Department may set its own higher entry requirements for the program

Bachelor of Science (Hons) in Transportation Engineering

(Location: Nyarugenge; Duration: 4 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Physics and Mathematics from the following subject combinations:

- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Mathematics, Physics and Computer Science;

- \checkmark Mathematics, Physics and Geography;
- \checkmark Physics, Economics and Mathematics.
- \checkmark Diploma in Transportation Engineering

The Department may set its own higher entry requirements for the program

Bachelor of Science (Hons) in Surveying and Geomatics Engineering

(Location: Nyarugenge; Duration: 4 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Physics and Mathematics from the following subject combinations:

- \checkmark Mathematics, Physics and Geography;
- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Mathematics, Physics and Computer Science;
- \checkmark Physics, Economics and Mathematics.
- \checkmark Diploma Surveying and Geomatics Engineering

Candidates from Technical Vocational Education and Training (TVET) with a certificate of at least (50) average from the following option are welcomed:

Construction

The Department may set its own higher entry requirements for the program

Bachelor of Science (Hons) in Mechanical Engineering (Production Engineering) (Location: Nyarugenge; Duration: 4 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Physics and Mathematics from the following subject combinations:

- \checkmark Mathematics, Physics and Geography;
- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Physics, Economics and Mathematics;
- \checkmark Mathematics, Physics and Computer Science.

Candidates from Technical Vocational Education and Training (TVET) with a certificate of at least (50) average from the following option are welcomed: General Mechanics

The Department may set its own higher entry requirements for the program

Bachelor of Science (Hons) in Mechanical Engineering (Plant Engineering)

(Location: Nyarugenge; Duration: 4 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Physics and Mathematics from the following subject combinations:

- \checkmark Mathematics, Physics and Geography;
- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Physics, Economics and Mathematics;
- \checkmark Mathematics, Physics and Computer Science.
- √ Diploma Mechanical Engineering

Candidates from Technical Vocational Education and Training (TVET) with a certificate of at least (50) average from the following option are welcomed: General Mechanics

The Department may set its own higher entry requirements for the program **Bachelor of Science (Hons) in Energy**

Engineering

(Location: Nyarugenge; Duration: 4 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Physics and Mathematics from the following subject combinations:

- \checkmark Mathematics, Physics and Geography;
- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Physics, Economics and Mathematics;
- \checkmark Mathematics, Physics and Computer Science.
- √ Diploma Energy Engineering

Candidates from Technical Vocational Education and Training (TVET) with a certificate of at least (50) average from the following option are welcomed: General Mechanics

The Department may set its own higher entry requirements for the program

Bachelor of Science(Hons) in Electrical Power Engineering

(Location: Nyarugenge; Duration: 4 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Physics and Mathematics from the following subject combinations:

- \checkmark Mathematics, Physics and Geography;
- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Physics, Economics and Mathematics;
- \checkmark Mathematics, Physics and Computer Science.

Candidates from Technical Vocational Education and Training (TVET) with a certificate of at least (50) average from the following option are welcomed: Electricity

Bachelor of Science (Hons) in Electronics and Telecommunication Engineering (Location: Nyarugenge; Duration: 4 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty four (21) points in the following subjects: Physics and Mathematics from the following subject combinations:

- \checkmark Mathematics, Physics and Geography;
- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Physics, Economics and Mathematics;

 \checkmark Mathematics, Physics and Computer Science. Candidates from Technical Vocational Education and Training (TVET) with a certificate of at least (50) average from the following option are welcomed: Electronics and Telecommunication

School of Science

Programs/exit award

Bachelor of Science (Hons) in Physics (Atmospheric and Climate Science) Bachelor of Science (Hons)in Biology (Botany and conservation) (Location: Nyarugenge; Duration: 3 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points

in the following subjects: Physics and Mathematics from the following subject combinations:

- \checkmark Mathematics, Physics and Geography;
- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Physics, Economics and Mathematics;
- \checkmark Mathematics, Physics and Computer Science.

The Department may set its own higher entry requirements for the program

Bachelor of Science (Hons) in Physics (Material Science)

(Location: Nyarugenge; Duration: 3 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty four (21) points in the following subjects: Physics and Mathematics from the following subject combinations:

- \checkmark Mathematics, Physics and Geography;
- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Physics, Economics and Mathematics;

 \checkmark Mathematics, Physics and Computer Science. The Department may set its own higher entry requirements for the program

Bachelor of Science (Hons) in Mathematics (Applied Mathematics)

(Location: Nyarugenge; Duration: 3 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Physics and Mathematics from the following subject combinations:

- \checkmark Mathematics, Physics and Geography;
- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Physics, Economics and Mathematics;
- \checkmark Mathematics, Physics and Computer Science.

The Department may set its own higher entry requirements for the program

Bachelor of Science (Hons) in Mathematics (Statistics)

(Location: Nyarugenge; Duration: 3 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Physics and Mathematics from the following subject combinations:

- \checkmark Mathematics, Physics and Geography;
- \checkmark Physics; Chemistry and Mathematics;
- \checkmark Physics, Economics and Mathematics;

√ Mathematics, Physics and Computer Science. The Department may set its own higher entry requirements for the program

Bachelor of Science (Hons) in Biology (Biochemistry)

(Location: Nyarugenge; Duration: 3 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty four (21) points in the following subjects: Biology and Chemistry from the following subject combinations:

- \checkmark Physics, Chemistry and Biology;
- \checkmark Mathematics, Chemistry, and Biology.

The Department may set its own higher entry requirements for the program

Bachelor of Science (Hons) in Biology (Biotechnology)

(Location: Nyarugenge; Duration: 3 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Biology and Chemistry from the following subject combinations:

- \checkmark Physics, Chemistry and Biology;
- \checkmark Mathematics, Chemistry and Biology.
- \checkmark Biology, Chemistry and Geography

The Department may set its own higher entry requirements for the program

Bachelor of Science (Hons)in Biology (Botany and conservation)

(Location: Nyarugenge; Duration: 3 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Biology and Chemistry from the following subject combinations:

- \checkmark Physics, Chemistry and Biology;
- \checkmark Mathematics, Chemistry and Biology.

The Department may set its own higher entry requirements for the program

Bachelor of Science (Hons) in Biology (Zoology and Conservation)

(Location: Nyarugenge; Duration: 3 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty four (21) points in the following subjects: Biology and Chemistry from the following subject combinations:

- \checkmark Physics, Chemistry and Biology;
- \checkmark Mathematics, Chemistry and Biology.

Bachelor of Science (Hons) in Chemistry (Bioorganic Chemistry)

(Location: Nyarugenge; Duration: 3 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Biology and Chemistry from the following subject combinations:

- \checkmark Physics, Chemistry and Biology;
- \checkmark Mathematics, Chemistry and Biology.

The Department may set its own higher entry requirements for the program

Bachelor of Science (Hons) in Chemistry (Environmental Chemistry)

(Location: Nyarugenge; Duration: 3 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Biology and Chemistry from the following subject combinations:

- \checkmark Physics, Chemistry and Biology;
- \checkmark Mathematics, Chemistry and Biology.

The Department may set its own higher entry requirements for the program

School of Information Communication Technology

Programs/exit award

Bachelor of Science (Hons) in Information Technology

(Location: Huye; Duration: 4 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21)

points in the following subjects: Mathematics and Physics or Computer Science from the following combinations:

- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Mathematics, Physics and Geography;
- \checkmark Mathematics, Physics and Computer Science;
- \checkmark Physics, Economics and Mathematics;
- √ Mathematics, Economics and Computer Science.

Candidates from Technical Vocational Education and Training (TVET) with a certificate of at least (45) average from the following option are welcomed: Computer Science. They should however first PASS a test in Mathematics and Physics

Bachelor of Science (Hons) in Computer Science

(Location: Huye and Musanze; Duration: 4 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Mathematics and Physics or Computer Science from the following combinations:

- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Physics, Economics and Mathematics;
- \checkmark Mathematics, Physics and Geography;
- \checkmark Mathematics, Physics and Computer Science;
- √ Mathematics, Economics and Computer Science.

Candidates from Technical Vocational Education and Training (TVET) with a certificate of at least (45) average from the following option are welcomed: Computer Science

Bachelor of Science (Hons) in Computer Engineering (Location: Huye; Duration: 4 years)

Entry requirements

To be admitted into the programme, prospective candidates must have Two principal passes with at least twenty four (21) points in the following subjects: Mathematics and Physics or Computer Science from the following combinations:

- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Physics, Economics and Mathematics;
- \checkmark Mathematics, Physics and Geography;

 \checkmark Mathematics, Physics and Computer Science;

Bachelor of Science (Hons) in Information Systems (Location: Huye; Duration: 4 years)

Entry requirements

To be admitted, the applicant must satisfy: Two principal passes with at least twenty one (21) points in the following subjects: Mathematics and Physics or Computer Science from the following combinations:

- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Physics, Economics and Mathematic;
- \checkmark Mathematics, Physics and Geography;
- \checkmark Mathematics, Physics and Computer Science;
- √ Mathematics, Economics and Computer Science

Candidates from Technical Vocational Education and Training (TVET) with a certificate of at least (45) average from the following option are welcomed: Computer Science

School of Mining and Geology

Programs/exit award

Bachelor of Science with honours in Mining

Engineering (Hons)

(Location: Nyarugenge; Duration: 4 years)

Entry requirements

To be admitted into the programme, prospective candidates must have principal passes, at least twenty one (21) points in the following subjects: Mathematics and Chemistry or Physics or Computer Science from one of the following subjects' combinations:

- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Mathematics, Physics and Geography;
- \checkmark Mathematics, Physics and Computer Science;
- √ Mathematics, Chemistry and Biology or equivalent.

In any case it is expected that because of the nature of the program, entrance requirements will likely favor students who have excelled in Physics, Chemistry and Mathematics.

Bachelor of Science with honours in Applied Geology

(Location: Nyarugenge; Duration: 4 years)

Entry requirements

To be admitted into the programme, prospective candidates must have principal passes, at least twenty one (21) points in the following subjects: Mathematics and Chemistry or Physics or Computer Science from one of the following subjects combinations:

- \checkmark Physics, Chemistry and Mathematics;
- \checkmark Mathematics, Physics and Geography;
- \checkmark Mathematics, Physics and Computer Science;
- √ Mathematics, Chemistry and Biology or equivalent.

In any case it is expected that because of the nature of the program, entrance requirements will likely favor students who have excelled in Physics, Chemistry and Mathematics.
